

Notice of Intent Requirements: Proof of Publication

Proof of publication should appear in a newspaper of general circulation in the affected area that notifies the public that construction activity is to commence, that states:

“(Company name, address) is submitting an NOI letter to notify the Indiana Department of Environmental Management of our intent to comply with the requirements under 327 IAC 15-5 to discharge storm water from construction activities for the following project: (name of the construction project, address of the location of the construction project). Run-off from the project site will discharge to (stream(s) receiving the discharge(s)).”

Please note, the company name and address should be the project owner or developer; the person or firm that has final approval for the project.
